9 The reason probably why the 31st March the report is to be furnished for April - March is that the Coffee picking (and Curing) season generally ends by that time.

(The Coffee Stealing Prevention Act is intended to prevent thefts of Coffee chiefly in the picking season).

10 As no definite date has been fixed for the Submission of the Report on the working of the Act, it may now be laid down that it should be sent up by the 15th May of each year. This gives a margin of 6 weeks — which should be sufficient as the report is due practically only from two Districts.
